	Natural person, who is logged in and is submitting the data inquiry					
	PERSONAL DATA REDACTED					
5.	Elaboration on the question / description					
	Describe your inquiry and provide support for why you need additional data					
	Hello!					
	I am a BA student at Vilnius University. Next year I am finalizing my thesis on traditional					
	Lithuanian crafts as a source of sustainable economic growth and as tool of building community					
	through inherited and learnt traditional knowledge. I would love to mention the example					
	regarding weavers' community.
